

Permission Policy

International Journal of Computing, Intelligent and Communication Technology (IJCICT) having ISSN 2319 – 748X, being published quarterly (March, June, September & December) by Consilio Intelligence Research Lab, Noida. The journal is being published since 2012. It aims to publish original, theoretical and practical advances in Computing, Intelligence Technologies, Communication Technologies, Computer Science, Information Technology and all interdisciplinary streams of Engineering Sciences. It intends to disseminate original, scientific, theoretical or applied research in the field of Computing, Intelligence Technology and Communication Technology and allied fields. It provides a platform for publishing results and research with a strong empirical component. It aims to bridge the significant gap between research and practice by promoting the publication of original, novel, industry-relevant research. IJCICT follows a single-blind peer review system and carry out two rounds of review process.

As a general rule, permission should be sought from the rights holder to reproduce any substantial part of a copyrighted work. This includes any text, illustrations, charts, tables, photographs, or other material from previously published sources. To obtain permission to re-use content published by IJCICT, please write us with full details.
